You will have off from lunch on Saturday afternoon until Monday morning all summer long. We want you back at camp on Monday morning.

Hey Guys,

We are really excited that you are being led by God to serve at SWO for another summer, it is such an encouragement to have you partner with us again for another season of ministry. There are a couple of things with which I want to challenge you.

First, I challenge you not to view this coming season as easy ministry. For many of you, this is what you "know". You are comfortable, in a good way, with summer ministry. In a sense, this is a home for you. If we aren't careful, we will neglect the things we need to pay attention to. Spiritual discipline, Bible study, prayer, community, and war against person sin are always necessary for the believer. This is true whether we are in full-time ministry or not.

Additionally, we must fight ministry idolatry. This can be a real battle when we become overly consumed with external ministry and put our call to minister over and above the pursuit of holiness to which Christ has called us. We are first to pursue conformity to Christ's image then we can effectively minister out of the overflow of what Christ is doing in our lives. We are blessed so that we can be a blessing to others. We must remember that it is a gift to serve in this way not a right.

Prepare your minds and hearts for action as God has so much in store for this upcoming summer.

Finally, thank you, thank you, thank you for your commitment to the Lord, to SWO, and to the students who come here. I love you all.

His,

Brody

**P.S.** All SWO staff are required to read, "Do Hard Things" by Alex and Brett Harris and write chapter summaries. This is due by Staff Orientation Weekend (April 9<sup>th</sup>-11<sup>th</sup>).
